

The Lundquist team of professional and peer advisors provides many services to students studying pre-business, business and accounting, including information about Lundquist major and minor degree requirements, scholarships, academic planning, campus resources and support opportunities, and other strategies for academic success.

Drop-in advising and scheduled 30-minute appointments are available at different points in the term.

Stop by 203 Peterson, visit the website, or call 541-346-3303 to learn more about the best way to connect with an advisor now.

## Academic Advisors

Advisors are available by in person, phone, or video conference appointments. Limited evening and weekend advising hours may be available with our remote advisor.

Advisors can provide information on applying to the major, academic planning, study abroad, clubs, professional organizations, and scholarships.

Students are urged to meet with a college of business advisor at least once a year. During week one and weeks seven through eleven, students need to plan in advance as demand increases at the start of the term and during registration periods.

## Peer Advisors

Drop-in academic advising 203 Peterson. Monday through Friday, 10 a.m. – 4 p.m., except holidays & finals week. The peer advising office is staffed by a highly trained group of exceptional junior and senior business students who can assist with:

- Mapping out short and long-term academic plans
- Explaining pre-business, major and graduation requirements
- Assisting with calculating GPAs
- Providing a better understanding of the courses and the workload
- Answering questions about clubs and activities within the business school

## Suggested Term Schedule for Successful Advising

<b>Before term</b>	Identify your goals for the term. Goals may include student engagement, campus life, career, graduate and/or professional school
<b>Week 1</b>	If necessary, make any last-minute changes to your term schedule; check academic deadlines on the Registrar's web site for important dates related to adding and dropping. Review class syllabi and add important dates to your planner or calendar.
<b>Weeks 2-5, &amp; ongoing</b>	Get to know your instructors and visit them during their office hours throughout the term to discuss assignments, papers, and exams. Consider making an advising appointment with major/minor department or attending drop-in advising with peers in preparation for next term registration.
<b>Weeks 6-7</b>	Review, discuss current and projected final course grade with instructor, and consider deadlines to drop a class and/or change grade option (graded or P/NP). Prepare to register for next term. Look up your registration time on the Registrar's web site (your specific time will be available in DuckWeb by middle of week 7). Check DuckWeb for any holds you have and take action to clear them. Review your major, minor, and university requirements in Ducks on Track. Identify courses you need and would like to take using the class schedule and schedule planning tools when the schedule is released on Friday of week 5 ( <a href="https://classes.uoregon.edu">classes.uoregon.edu</a> ).
<b>Weeks 8-9</b>	Register for next term's courses on DuckWeb. Lundquist Academic Advisors are available via drop-in advising.
<b>Week 10</b>	Complete any projects due at the end of the term. Verify final exam dates/times and begin review for final exams. Fill out course evaluations on DuckWeb.

## Lundquist Resources

### Braddock Tutoring Center (240 Lillis)

[business.uoregon.edu/ug/tutoring](https://business.uoregon.edu/ug/tutoring)

Free tutoring for pre-business, accounting, and business majors. Tutors are available during fall, winter, and spring terms on a drop-in basis from Monday through Thursday.

### Mohr Career Services

[business.uoregon.edu/ug/career](https://business.uoregon.edu/ug/career)

Explore career interests, build career skills, get help with resumes and cover letters, and gain experience with internships, clubs, or employers. Visit 155 Lillis, or call (541) 346-3301

### Scholarships

[business.uoregon.edu/ug/apply/scholarships](https://business.uoregon.edu/ug/apply/scholarships)

Annually, the Lundquist College of Business awards around \$1.3 million in scholarships to current business and accounting majors thanks to the generosity of donors and alumni. These scholarships are typically awarded to current students who will be admitted to the major by the next fall term. Selection for these scholarships is competitive.

### Flight School

<https://business.uoregon.edu/community/flight-school>

Mentoring for new first-year and transfer business students. Provides social, professional, and academic campus experiences that will help you make connections within the Lundquist College and the UofO.

### Professional Edge

[business.uoregon.edu/hands-on-learning/professional-edge](https://business.uoregon.edu/hands-on-learning/professional-edge)

Strengthen your qualifications to excel in your career. Build targeted, practical skills in an interactive and engaging format and distinguish yourself in a field of other job applicants.

### Student Clubs & Organizations

[business.uoregon.edu/community/student-clubs](https://business.uoregon.edu/community/student-clubs)

The college's dynamic, diverse, and popular student clubs ensure you'll feel connected to your peers—not in competition with them.

## UO Resources

[onestop.uoregon.edu](https://onestop.uoregon.edu)
