2. In-Person Tutoring in Lillis 240

Drop-in in-person tutoring is offered based on specific schedules, subject to change due to unforeseen circumstances. To ensure students are able to get help efficiently, please note the following policies:

- Come organized and prepared with specific questions for tutors, after reviewing course materials and attempting to complete assignments.
- If you are not feeling well, please stay home to avoid the spread of illness.

2. Getting Tutoring Help

- Tutoring is not a replacement for independent study time.
- Tutors do **not** help with tests/quizzes, complete assignments, give answers to assignment questions, or check answers for correctness.
- Tutoring is **not** a substitute for attending lectures or discussion sections (instructors and GEs are course content experts).
- Tutors are **not** qualified or permitted to teach course content; they **can** only help to clarify concepts. If you are unable to attend class, review assigned readings and/or slides (or watch recorded lecture videos), ask classmates what you missed and visit your instructor's/GE's office hours, then attempt your assignment questions on your own **before** getting help.
