

Sample 3 + 1 Finance Scholar Academic Plans

The following are example academic plans for students completing a business administration or accounting major in three years. It should be noted that each respective sample plan assumes that the student will enter the UO with 30-45 credits earned from advance placement, international baccalaureate, or pre-college programs. Students interested in becoming 3 + 1 Finance Scholars should work closely with an advisor to create an academic plan based on their unique needs and requirements.
