We only provide academic assistance for courses listed above. For all other courses seek help from your instructor: instructors' and GEs' office hours are the **MOST VALUABLE RESOURCE** to support your learning! We do **NOT** offer tutoring for 300- or 400-level Economics courses, even if they can substitute for an upper-division core requirement. EC 311 content is **NOT** the same as FIN 311 content. However, additional campus tutoring resources may be available as detailed below.
