

Oregon Executive MBA Applicant Commitment

The Oregon Executive MBA requires intensive intellectual effort and a significant time commitment. Classes take place on some business days. **Please use this form if you do NOT need sign-off from your organization to participate in the program OR if you are self-employed.**

Please read the statement below, sign, attach your business card, and return the form.

Applicant Commitment

I am able to attend regularly scheduled classes on Friday afternoons and Saturdays during the two years of the Oregon Executive MBA program. I also agree to attend the Residency session (three days during the work week) at the beginning of the program's first year and the seven- to nine-day Global Study Trip at the beginning of the program's second year. In addition, I understand that the program represents a rigorous academic workload from which I can expect significant benefits of enhanced managerial competencies and direct benefits from term projects and the Capstone Business Project.

Check all that apply:

- I have secured permission from my organization to attend classes on Friday afternoons and Saturdays.
- I have the ability to commit my time to attend the program without company endorsement by using personal or vacation time.
- I am self employed and can commit my time.
- I understand that to successfully complete the program, I must attend a minimum of 80 percent of all classes and have made the necessary arrangements to participate fully in the program.
- I will fund my tuition with student loans.
- My tuition sources are not yet determined.
