Non-Business Breadth Rationale:

Please explain 1) why you have selected these courses, 2) how they relate to one another, and 3) how they relate to your career goals or interests (use backside if necessary):

I selected these courses because I am interested in making connections with the cultures of Japan. I intend to teach classes in Japan after I graduate and I wanted to know more about the history and popular cultures of Japan. I also hope to seek employment with a company that does business in both US and Japan at some point in the future and I feel my cultural studies of the region will give me a competitive advantage.
