There are many options for ways to contribute to the Lundquist College of Business, including cash, securities, property, and gifts-in-kind.

**Cash Gifts**

Whether in the form of cash, credit card, check, or money order, cash gifts are one of the best ways to make an immediate impact on the University of Oregon. Cash gifts can be made:

*Via Credit Card Online:* supportuo.uofoundation.org

*Via Check by Mail:* Please make checks payable to "UO Foundation," and on the memo line, please write "Lundquist College of Business." Use attached form and send to the address below.

*Via Wire Transfer:* Please contact us for instructions.

**Securities**

Donating appreciated securities is another common way to contribute. The UO Foundation accepts electronic stock transfers and physical stock certificates.

**Real Property**

Personal residences, farms, commercial property, vacation homes, timberland, and leasehold interests are termed gifts of real property. The university generally sells the property, and the proceeds can support the program or fund of your choice while offering you tax benefits.

**Gifts-in-Kind**

Gifts of tangible personal property is another important way to support the college. Such gifts let donors make significant contributions of essential equipment, materials, or items for the immediate use by the university.

**Planned Gifts**

You have the power to make a lasting difference for students at the UO by making a gift from your will, living trust, retirement plan, life insurance, or life income.
