2016–17 HOST COMPANIES
83 companies registered to host students.
72% of 2016–17 host companies hosted in a prior year.
59% of students were hosted by UO alumni.

GRADUATE AND ALUMNI IMPACT
After four years, more than 250 job shadow participants have graduated from the Lundquist College of Business. This spring we surveyed the 89 graduating seniors who participated in the Job Shadow Program during their time at the UO. Of those responding to the survey:

• 11% interviewed for an internship at their host company
• 37% stayed in touch with a contact from their job shadow day
• 77% felt that the job shadow day had an impact on their career plans.

This year also marked the first time an alumna who participated in the job shadow program as a student took a turn hosting students at her workplace. We’re thrilled to see this circle being completed and look forward to many more job shadow alumni hosting future students.

“Having some sense of how a manufacturing business ran helped me to visualize and understand concepts throughout my time in the Lundquist College.”
