Event Description

The second annual Civil War Shark Tank is an opportunity to highlight the great talent and ideas of students at Oregon State and University of Oregon in the spirit of friendly competition and a shared goal of promoting learning about entrepreneurship.

Ideas have been chosen independently from each schools undergraduate entrepreneurship program. The teams have 5 minutes to pitch their idea uninterrupted and will field questions from the panel of 'Sharks' for 8 minutes. After all groups have presented, the Sharks will pick a winner and a runner up.

Thanks to all sponsors, participants and attendees for making this event possible.
